CALEDONIA BEST BARLEY GROWERS

“ Robbie Dykes, Caledonia Best barley farmer from East Lothian said: “Caledonia Best use only the finest Scottish ingredients to ensure the best flavour of beer and I’m proud to know that they consider our barley to be of that quality.

It’s wonderful to know that the barley I produce in East Lothian goes into making Caledonia Best which prides itself on being ‘Made of Scotland’.”

WE'RE ABSOLUTELY ASSURED OF THE QUALITY OF THE BARLEY, THAT GIVES US THE CONSISTENCY OF FLAVOUR - PINT AFTER PINT.
