

A BELGIAN LAGER ONLY EVER BREWED IN BELGIUM

A 4.8% BELGIAN PILSNER LAGER WHICH TAKES
ITS NAME FROM THE ABBEY OF THE ORDER OF
PREMONTRE AT HEVERLEE, LEUVEN.

The Abbey of the Order of Premontre is still served by the monks
today whose motto is Ne Quid Nimis (life in balance).

The Abbey has a history of lager production; the Abbey monks
originally brewed a light lager for everyday consumption.

HEVERLEE IS PERFECT FOR THE DRINKER LOOKING FOR
A LAGER WITH AN AUTHENTIC CONTINENTAL TASTE.

Heverlee's supreme flavour comes from
saz hops, the most expensive in the world.

Pouring heverlee at a 45 degree angle
ensures a smooth creamy head.

The beheading removes the lager air bubbles -
the head stays bitter while the beer beneath
remains sweet and perfectly balanced.

Available in 50L Keg,
330ml can and 660ml bottle
